I'm about 5 seconds away from giving you the most  
amazingnest praise!

I'm a give you 5, I'm a give you 4, I'm a give you 3, I'm  
a give you 2

I'm about 5 seconds away from giving you the most  
amazingnest praise!

So

I'm a give you 5, I'm a give you 4, I'm a give you 3, 2, 1!

Now everybody: go wild, go wild, go wild, go wild

Everybody: go wild, go wild, go wild, go wild

C'mon,

I'm about 5 Seconds away from exploding like a time  
bomb,

I'm trying to stay calm

I feel the fire Kinda like jeremiah

My praise is a elevator that'll take you higher,

Devil you'ze a liar

You can't stop my praise so I'm a count to 5 and I'm  
about to go craze yo!

I'm a wil' out like a new convert

Screamin like a kid at a Hannah Montana concert!

I'm about 5 seconds away from giving you the most  
amazingnest praise!

I'm a give you 5, I'm a give you 4, I'm a give you 3, I'm  
a give you 2

I'm about 5 seconds away from giving you the most  
amazingnest praise!

I'm a give you 5, I'm a give you 4, I'm a give you 3, 2, 1!

Now everybody: go wild, go wild, go wild, go wild

Everybody: go wild, go wild, go wild, go wild

C'mon,

Praise is Crazy my God's Amazing,

If I can't stop praising then ya'll can taze me but that  
won't faze me

Cause I'm the way he's always by my side,

In situations I'm facing,

My praise is crazy "Wait I said that before"

I guess it's dejavu like Beyonce and Jay-Z,  
My praise ain't lazy cause when things are hazy the  
ghost guides me just like patrik swayze
