who be the crunchiest in the spot  
riding on dem bikes  
represent yo hood  
boy you living good  
now who got hatas?  
but dey motivate ya  
ay who ain't go stop  
till you make it to the stop  
who making money  
so much it aint funny  
who riding crowns?  
who on dey own  
controlling fokes  
who ain't no crow  
who be the star  
let me know who you are  
who runnin this  
made the ballas list  
who up on the game  
who reppin the name  
who popping collars  
who making dollars  
who ain't gotta settle  
for the first thing that hollas  
who dat got it lock  
to the block you run the block  
who dat respect  
got hatas in check  
who stacking chips  
who making it flip  
who doin it lite  
representing christ

the name joe aka mr. payed 4  
if you plotting on my riches  
i suggest you lay low  
cuz i could ball with the best of em  
ball with the rest of em  
you should try to reach my level  
cuz i'm out there crushing mountains  
while you out there catching devils

and the bigger tax racket  
cuz i refuse to settle  
my heart was once cold  
now its hot as a cattle  
when the steam came out  
and it made me feel my cup  
just to go back in the streets  
breathe deep throughout this stuff  
so bye-bye hatas, fakas  
who stay bucking dey gum  
screaming dey sum ballas  
but ain't got money for lunch  
and cuz dey might fuss  
got dey panties up in the bunch  
just get back in grafetti  
gone and get to me  
it's a hundred dollar bill  
i got plenty more  
i ain't tryin to beg folks  
i'm just letting these hatas know  
god's people really balling  
not just in the video
