I know you trippin' off of this production
To preach Jesus and promote zion
To claim the death and ressurection
Go get the bible if you think I am lyin'
'Bout to take over the nation
Sinners become a new creation
To spread the gospel is my mission
Taking you to school and pay tuition

Look we done took over the malls
We're everywhere
Going up and down the school halls
We're everywhere
We done took over the courts
We're everywhere
We done took over the sports
We're everywhere
We drive the biggest cars
We're everywhere
We are the biggest stars
We're everywhere
We wear the baddest clothes
We're everywhere
And we owning all of the stores
We're everywhere

Everywhere I go let go I'm a christian [x4]

(Now here we go)
I got the boldness of a lion
Bite the devil's neck and he go home cryin'
Get it loud in every single station
Representin' every situation
(here we go)
Let's work the preparation

Everybody get in your position
Let me see you walk with a distinction
But beware of all of the distraction

We done took over the malls
We're everywhere

Going up and down the school halls
We're everywhere
We done took over the courts
We're everywhere
We done took over the sports
We're everywhere
We drive the biggest cars
We're everywhere
We are the biggest stars
We're everywhere
We wear the finest clothes
We're everywhere
And we owning all of the stores

Everywhere I go let go I'm a christian [x4]

We in tha hoods now
We in the school halls
We on the tv
We on the radio
[Repeat]

Everywhere I go everywhere I go Everywhere I go let go
Everywhere I go everywhere I go Everywhere I go let go
Everywhere I go let go Everywhere I go let go
Everywhere I go everywhere I go Everywhere I go let go

Everywhere I go let go I'm a christian...
