Intro: (yeah) I won't stop (4x)

Verse: (I won't stop) if they take my song off the radio  
(I won't stop) and if I gotta push records in the snow  
(I won't stop) Cuz this music is more than a dream  
(I won't stop) More than houses, cars, and wonderful things

(I won't stop) I'll do this music for the rest of my life  
(I won't stop) I put that on my baby girl and my wife  
(I won't stop) Go ask somebody and they will let you know

(I won't stop) I keep it real my homie, I ain't no joke  
(I won't stop) And if I gotta push CDs out my truck  
(I won't stop) And if my truck somehow gets stuck off in the muck

(I won't stop) I'll put my CDs in my black backpack  
(I won't stop) And leave my truck on three wheels and a jack

(I won't stop) And I start walking down a road that's real long

(I won't stop) And in my head I start to write another song

(I won't stop) And start to push CDs in the middle of the street

(I won't stop) Cuz I got beats and a brotha gotta eat

(I won't stop) Do this music when I'm mad and when I'm glad

(I won't stop) When the situations good or if it's bad

(I won't stop) If I do a show and then these haters start booing

(I won't stop) Gon bout my business and I'll do what I was doing

(I won't stop) Cuz haters can't stop my faith

(I won't stop) I can't wait, gotta do what it takes

(I won't stop) I look to Jesus when my back's against the wall

(I won't stop) I guarantee that he won't let me fall

(I won't stop) (repeat)

If I hit a brick wall

If people don't return my call

If they laugh at me  
One day you gon see

(I won't stop) if they take my song off the radio  
(I won't stop) If I gotta push records in the snow  
(I won't stop) Cuz this music is more than a dream  
(I won't stop) More than houses, cars, and wonderful things

(I won't stop) if they take my song off the radio  
(I won't stop) If I gotta push records in the snow  
(I won't stop) Cuz this music is more than a dream  
(I won't stop) More than houses, cars, and wonderful things

So I won't stop  
Cuz you said that you would make a way  
So I won't stop
