Excuse me Ms. but I,  
see you week after week,  
and I, love the passion you display  
when I see you giving God the praise  
I see you lifting your hands and all  
I see you doing your dance-  
you go, girl  
Never seen nobody do it like you do  
and I wanted to let you know I think it's cool  
I think it's cool how you praise him  
I think it's cool how you praise him  
I think it's cool how you praise him  
I think it's smooth how you praise him  
I think it's cool how you praise him  
I think it's cool  
I think it's cool how you praise him  
I think it's cool  
I think it's cool how you praise him  
I think it's cool how you praise him  
Do your thing girl  
I think it's cool how you praise him  
Do your thing girl  
I think it's cool how you praise him  
I can see it in your eyes  
that you're in love with Jesus Christ  
and I can tell you love that word  
aint it sweeter than grape preserve

yeah  
and I know you live by it, you give by it  
give up everything worldly  
keep doing your thing girl  
'cause praise like that make me want  
to come back early  
yeah  
never seen a worship so beautiful  
and so elegant to me  
it's like you're an angel  
when I see your praise then the spirit gets in me  
I think it's cool how you praise him  
I think it's cool how you praise him  
I think it's cool how you praise him  
I think it's cool how you raise him  
I think it's cool how you praise him  
I think it's cool how you praise him yeah  
I think it's cool how you praise him  
how you be wavin' your hands  
how you be doing your dance  
it be making me cry  
I feel the spirit inside  
I think it's cool how you praise him  
I think it's cool how you praise him  
I think it's cool how you raise him  
I think it's cool how you raise him  
I see my homies in the back  
I think it's cool how you praise him  
I see them standing up and clappin'  
I think it's cool how you praise him  
we do it cool when we praise him  
I think it's cool how you praise him  
it's how we do when we praise him

I think it's cool how you praise him  
I think it's cool how you praise him  
Excuse me Ms.  
I was sitting in the back in the pue  
and you make me want to praise him too  
and it's like  
you don't even care who be lookin' at you when you  
praisin'  
yeah  
and you be all in it  
I can really tell that you feel the spirit  
don't want to be rude, but the way you praise  
man I think it's cool
