Dear God
It's your boy
I really messed up this time
I'm embarrassed
I'm alone
I need help

I made a mistake and it seems as if my love ones
disappeared
I feel and wondered if you were still here
The names, the shame, this game of life is too heavy
So I cast all my cares on you
Cause right now your all I have

Jesus you loved me
When nobody cared
You loved me
When nobody cared
You loved me
When nobody cared
At all
(repeat chorus)

On outside of laughing and on the inside of crying
It seem so hard to go on
I can't see how you'll forgive me
Then I feel your presence and you essence
Then you say, hey it's gona be ok (it's gona be ok)
I'm here (I'm here)
And I'll take the pain away

Jesus you loved me
When nobody cared
You loved me
When nobody cared
You loved me
When nobody cared
At all
(And I thank you Lord cause you care when nobody
care)
Jesus you loved me (When my friends walked away

from me)
When nobody cared
You loved me (When I had no one to hug me)
When nobody cared (When I had no one to love me)
When nobody cared (You loved me Lord)
At all (At all! yeeeeaaaaah)

Listen My brother, my sister
No matter where you come from
No matter what you've done
God loves you
That's why he sent Jesus to died for your sins
Don't worry about it
Get up man
All you got to do is cry out to him
Cry Jesus! He'll save ya! He loves ya! He loves ya

Jesus you loved me
When nobody cared
You loved me (yeah, yeah)
When nobody cared
You loved me (I can cast all my cares)
When nobody cared (on You, Lord)
At all (Cause You cared for me)

Jesus you loved me (And even though I'm crying)
When nobody cared (And even though I'm hurting)(And
there's pain inside)
You loved me (It's gona be all right)
When nobody cared (It's gona be all right)
You loved me (yeah, yeah)
When nobody cared (yeah, yeah)
At all (At all)
At all (No one could ever love me like You, You)
(You cared when nobody cared)
At all (No one could ever love me like You, You)
When nobody cared
