I know dat you's a pimp and wanna pimp hard
But in your pimpin, you can't neva pimp God
I know dat you's a pimp and wanna pimp hard
But in your pimpin, you can't never pimp God

Verse 1:

a mack from way back
(playa from the himalayas)
asian, spanish, white, black
(hey baby come over here)
you flip through your black book, and you like let me
see
then you get what you want, and you like girl just let me
be
you're like a pitbull sick em
got plenty of game and trick em and to the curb
ya kick em kick em kick em
but every dog has his day
keep it pimpin and pimp one day
it's gonna be your last lay aye aye
you got wit a top model, she brought you the top dollas
she had fleas on her colla
but you're a pimp you ain't afraid to try
you ain't afraid to lie, are you afraid to die

I know dat you's a pimp and wanna pimp hard
But in your pimpin, you can't neva pimp God
I know dat you's a pimp and wanna pimp hard
But in your pimpin, you can't never pimp God

Verse 2:

you got a girl cheating on a man with you
and you know dude, cuz you 2 went to high school
thats not cool, she done fooled you ooh ooh
and dude loves her, and he's gonna kill you
but you say no no, and you creep around on the low low
thinking he can't shoot, because he's a po po
though you keep going, and her love for you keeps
growing
you think that because the feeling she's showing
people say don't try her, and even though she's hotter

than fire
don't trust her, cuz she is a liar
but you don't listen, and one night when you 2 were
kissing
heard a funny noise in the kitchen, and you go out
there
saw another girl who had short hair
pistol in her hand and she yells where is my lover
she's a lesbian, you discover
shoots you then she shoots at the covers
then they call your mother, mother

I know dat you's a pimp and wanna pimp hard
But in your pimpin, you can't neva pimp God
I know dat you's a pimp and wanna pimp hard
But in your pimpin, you can't never pimp God

I know dat you's a pimp and wanna pimp hard
But in your pimpin, you can't neva pimp God
I know dat you's a pimp and wanna pimp hard
But in your pimpin, you can't never pimp God

Verse 3:

pimpin been pimpin since 96, in 6 jurisdictions
hard on her oh
get it one, rain sleet hail or snow, 4 sho
make a pretty girl feel like a smurf hard as the turf
neva been soft like a nurf i mean
i send you a drank, put you in a mini skirt
now you selling for the team
minipulate your mind, till your mind is mine
i'm like years ahead of you baby girl, you way behind
and ima have my way, just stay behind
but if you let me manage you, then imma make you
shine
nothing but lies, whatever it take even though i'm
ruining lives
this is how a pimp think, no love, working with a killer
instinct
all for the money, i push you over the brink
but now that ain't the way to go
you better off letting Jesus save your soul
all the fake stuff starting to take its toll
but Christ in yo face, ready to make ya whole
cuz ain't no gang big enough, nah you ain't hood
enough to get over on God
nobody gangster enough
nobody thug enough
let me tell you sumn, you ain't dat hard

I know dat you's a pimp

and wanna pimp hard
but in your pimpin, you can't neva pimp God
I know dat you's a pimp
and wanna pimp hard
but in your pimpin, you can't never pimp God
I know dat you's a pimp
and wanna pimp hard
but in your pimpin, you can't neva pimp God
I know dat you's a pimp
and wanna pimp hard
but in your pimpin, you can't never pimp God
