chorus

taking ova for the kingdom put that on your ringtone
[8x]

taking ova for the kingdom put that on your ringtone
so everytime the phone ring they know that the spots
on

they know that the games on, they know that the
games gone

took it like you was a kid and i was like a man grown
search your land and took all your goodies like David
coming and we aint playin no goodies less rated
god the father christ the son

star players on the team we already won one

everything you got you have it on rental

now devil i want it back and you can keep your
dentures

mirror mirror on the wall

i aint asking you a thing cuz you might be on they team

i'll just go to my daddy cuz you a lil chatty

i don't need that in my ears life is smoother than a
caddy

taking ova for the kingdom put that on your ringtone

looking for me i'll be somewhere shooting in the world
zone

chorus

taking ova for the kingdom put that on your ringtone
[8x]

i won't go back and fought like ping pong

dominate like king kong

got locked like my eyes whenever my teams on

ever later hong kong

let it ring like ding dong

we more than a conquer that

ohhhhhhhh like the thunder cat

we call the beat, seven times we bought to reap

yea try to creep, we bout to put the creep to sleep

ahhhhh Jesus got the power man now i got the power

man

taking ova in the streets, bout to go posses the land
remind myself i keep it behind myself
and i make sure i don't leave my love letters on the
shelf
i been through it, stick through it, and make sure my
blings on
takin' over for the kingdom

chorus

taking ova for the kingdom put that on your ringtone
