"At Last"

At last my love has come along
My lonely days are over
And life is like a song

At last the skies above are blue
My heart was wrapped in clover
The night I looked at you

I found a dream that I could speak to
A dream that I can call my own
I found a thrill to press my cheeks to
A thrill I've never known

You smiled and then the spell was cast
And here we are in heaven
For you are mine at last

I found a dream that I could speak to
A dream that I can call my own
I found a thrill to press my cheeks to
A thrill I've never known

You smiled and then the spell was cast
And here we are in heaven
For you are mine at last, for you are mine at last
