Searching for some company
Feel the rhythm dance with me
Them beat boy blues seem out of space
Now they want to party pace party pace
Dance dance on the floor dance dance move some
more
Dance dance feel the heat
Hit that perfect beat boy, hit that perfect beat beat boy

I've got that feeling them beat boy feelings
I've got them feeling the perfect beat
I've got that feeling that perfect feeling
That perfect feeling all over me
Beat boy beat boy hit that perfect beat boy
Beat boy beat boy hit that perfect beat boy
Beat boy beat boy hit that perfect beat boy
Hit that perfect hit that perfect hit that perfect beat boy

Come come close to me I want this to be
That perfect feeling all over me
Come come close to me I want this to be
That beat boy feeling all over me
Too close for comfort too close for joy
Boys in the back room their hearts destroy
Touch and kiss a stranger if all else fails
Hiding from the danger that's been sent from hell

I've got that feeling them beat boy feelings
I've got them feeling the perfect beat
I've got that feeling that perfect feeling
That perfect feeling all over me
Beat boy beat boy hit that perfect beat boy
Beat boy beat boy hit that perfect beat boy
Hit that perfect hit that perfect hit that perfect beat boy

Beat beat beat beat
Beat beat beat beat boy

Hit hit hit hit
Beat beat beat beat beat beat beat beat beat boy
I've got that feeling them beat boy feelings

I've got that feeling that perfect beat (beat boy beat
boy)
I've got that feeling (that perfect feeling)
That perfect feeling all over me (beat boy beat boy)
