The gypsy woman told my mother before I was born  
I got a boy child who's comin', gonna be a son of a gun  
He gonna make pretty women jump and shout  
And then the whole world gonna know what this all  
about

But you know I am, yeah, everybody knows I am  
Well, a you know I'm the hoochie coochie man  
Yeah, everybody knows I am

I got a black cat bone, I got a mojo too  
I got the John 'The Concheroo', gonna mess with you  
I'm gonna make you, pretty girl, lead me by the hand  
And then the whole world gonna know that I'm the  
hoochie coochie man

But you know I am, yeah, everybody knows I am  
Well, I'm the hoochie coochie man  
Yeah, everybody knows I am

On the seventh hours, on the seventh day  
On the seventh month, I heard the doctor say  
He was born for good luck and that you will see  
I got seven hundred dollars, baby, yeah, don't mess  
with me

But you know I am, well, you know, you know I am  
Yeah, I'm the hoochie coochie man  
Well, everybody knows I am
