Now here it is three O'clock in the mornin'
And I can't even close my eyes
Hey, it's three O'clock in the mornin', baby
I can't even close my eyes
I can't find my baby
People, I can't be satisfied

Look all around me
And my baby, she can't be found
I've looked all around me
And my baby, she can't be found
Well, you know that if I don't find my baby
People, I'm goin' down under the golden ground
[Incomprehensible]

Well, goodbye everybody
People, I believe this is the end
Hey, goodbye, goodbye everybody
I believe this is the end
I want you to tell my baby
Oh, to forgive me for my sins
