"Now if you need me
Call me
No matter where you are
No matter how far away baby
Just call out my name
I'll be there in a hurry you don't have to worry 'cause
baby
oooh oooh oooh oooh

Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you
To keep me from getting to you
To keep me from getting to you

Oh my love is alive deep in my heart
Although we are miles apart

If you ever need my helping hands I'll be there in a
heartbeat 'cause baby

Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you
To keep me from getting to you
To keep me from getting to you"
