It was only the lights and the alcohol
But he looked like a porno star some kind of adonis
And by my side I saw the angel sigh
As the devil won me over I knew

It was gonna be a wild night, it was gonna be a wild
night
He would make me feel alright
Make me feel alright, make me feel alright
Make me feel alright

It was only the drugs and an altered mind
I gave myself to the pain, it gave him pleasure
Oh, it gave him pleasure
He made me feel alright
He made me feel alright

Took me to paradise
Made me feel alright, made me feel alright
The man made me alright
Made me feel alright, made me feel alright, alright

We were riding high to another plane
My eyes were closed
But my mind was open to persuasion
Oh, such persuasion

The blood had dried by the morning light
I was coming down but hell
We had such a wild night
Oh, we had such a wild night

And he made me feel alright
Made me feel alright
Oh, he made me feel alright
The man made me alright

He made me feel alright
Made me feel alright
He made me feel alright
Made me feel alright

You make me feel
You make me feel
And you make me feel, alright
Make me feel alright

You make me feel
And you make me feel
And you make me feel alright
Make me feel alright
