"When the light are down and the room is spinning
Turning me around
Something else
I can't explain it
Coming over me
I feel a love so hot
It's like I'm burning
Love is everything I want
Love is like a fire so crazy
It's out of my control

Come on hold me now
Come on we're so hot
We can burn burn burn
Come on hold me now
Don't you ever stop
We can burn burn burn

When the lights are down and the room is turning
Spinning me around
Baby I can do anything
I could fly with you
I could fly with you
It's driving me crazy
It's out of my control

Come on hold me now
Come on we're so hot
We can burn burn burn
Come on hold me now
Don't you ever stop
We can burn burn burn

You're my flame
Burn burn
I'm half insane
burn burn

Come on hold me now
Come on we're so hot
We can burn burn burn

Come on hold me now
Don't you ever stop
We can burn burn burn"
