I am coming! I am coming!
I am coming through!
Coming across the divide to you

In this moment of unity
feeling an ecstasy
to be here, to be now
At last I am free

Yes at last, at last
to be free of the past
and the future that beckons me

I am coming! I am coming!
Here I am!
Neither a woman, nor a man

We are joined, we are one
With the human face
We are joined, we are one
With the human face

I am on earth
And I am in outer space
I'm being born and I am dying

I am on earth
And I am in outer space
I'm being born and I am dying

I am coming! I am coming!
I am coming through!
Coming across the divide to you

In this moment of unity
feeling an ecstasy
to be here, to be now
At last I am free!

Yes at last, at last
to be free of the past
and the future that beckons me

Yes at last, at last
to be free of the past
and the future that beckons me

I am coming! I am coming!
Here I am!
Neither a woman, nor a man

Oh we are joined, we are one
with the human face
Oh we are joined, we are one
with the human face

At last I am free!
At last I am free!

I am on earth
And I am in outer space
I'm being born and I am dying

I am on earth
And I am in outer space
I'm being born, I am dying

At last I am free!
At last I am free!!!

Yes at last, at last, at last I'm free!
Yes at last, at last, at last I'm free!
