"I don't know what to do  
Every day I fall deeper with you  
Down and down I go out of control  
It's scaring me  
Always hoping you will be there to pick me up when I  
stop

corus x2  
Could it be love  
Throwing me into the fire  
Could it be love  
Tearing my heart apart

I could say I can find  
Many ways to keep you from my eyes  
If I tried I think I'd lose my mind  
Just knowing when you're around the world keeps  
turning  
Don't stop freaking me out!

corus x2  
Could it be love  
Throwing me into the fire  
Could it be love  
Tearing my heart apart

If it's unrequited love the I don't want to know"
