So boy, where you go, what you do?
Hey there boy, what is wrong with you?
No future, no hope, just broken dreams
You spend your days wondering why

I'll be your friend, I'll be around
I'll be everything you need
I'll be your friend, I'll be around
I'll be everything you need

Hey young man, why you cry don't you know
You've got to try a little bit harder
You've got to stand on your own two feet
You never let them drag you down
Hey there boy, this prejudice and ignorance
We can overcome

I'll be your friend, I'll be around
I'll be everything you need
I'll be your friend, I'll be around
I'll be everything you need

I'll be your friend, I'll be around
I'll be everything you need
I'll be your friend, I'll be around
I'll be everything you need

Disenchanted angry young man
Disenchanted angry young man
Disenchanted angry young man
Disenchanted angry young man

So boy now you know what to do
Hey there boy, don't be blue
There's future, there's hope, hope for you
Hey young man, just believe in what you do

I'll be your friend, I'll be around
I'll be everything you need
I'll be your friend, I'll be around
I'll be everything you need

I'll be your friend, I'll be around
I'll be everything you need
I'll be your friend, I'll be around
I'll be everything you need

I'll be your friend, I'll be around
I'll be everything you need
I'll be your friend, I'll be around
I'll be everything you need
