Something inside of me's out of
control
I can't contain it so just let it go
Baby I'm so sold on you can't you see
What you're doing to me

Now that I've got you in my hands
Won't let you slip away
Now that I've got you in my hands
Won't let you slip away

Baby I waited here counting the days
Hoping and praying and blueing away

Now that you're here with me all of
my dreams have come true

Now that I've got you in my hands
Won't let you slip away
Now that I've got you in my hands
Won't let you slip away
(I got you, I got you)

Yeah yeah...

Could it be magic this feeling inside
Baby you move me in every way
All of these things that you do
Feel so good, ooh ooh oooooh ooh
Now that I've got you in my hands
Won't let you slip away
Now that I've got you in my hands
Won't let you slip away

Something inside of me's out of
control
Baby can't stop it so just let it go
Baby for you I'd go down on my
Knees and I'd pray

Now that I've got you in my hands
Won't let you slip away

Now that I've got you in my hands
Won't let you slip away
