If I should die before I wake
I pray from God my soul escapes
I wonder what the price would be
To roam through time eternally

Here I am
Here I am

And when this world comes to an end
Who will heaven send
To find me?

Here I am
Here I am
Here I am
Here I am

I'm passing through, can you feel me?
I'm in front of you, can you see me?

Screaming, can you hear me?
Screaming, can you hear me?

Here I am
Here I am
Here I am
Here I am

I'm in your head, I know your dreams
But powerless to change your mind

Here I am
Here I am
Here I am
Here I am

Here I am
