I just don't know what to do with myself
I just don't know what to do with myself
I'm so used to doing everything with you
planning everything for two
now that we're through

I just don't know what to do with my time
I'm so lonesome for you it's a crime
Going to a movie only makes me sad
parties they make me feel as bad
now that we're through
I don't know what else to do

like a summer rose
needs the sun and rain
I need your sweet, sweet love
to ease my pain
I just don't know what to do with myself
I just don't know what to do with myself
Baby, if your new love should ever lets you down
just come on back, coz I will be around
waiting for you
I don't know what else to do

Baby, baby, baby, baby, baby, baby, yeah
I just don't know what to do with myself
I don't know what else to do with myself
Baby, if your new love should ever lets you down
come on back, coz I will be around
waiting for you
I don't know what else to do
