"It still hurts for my heart is soft as silk  
No more longing  
Take me away from here

And you're always on my mind  
I can't turn around  
It's too late  
You can call my name  
It's over now  
It's all in vain  
When my heart goes cold

It still hurts  
I will close the door  
No more longing  
Nothing tempts me to return

And you're always on my mind  
I can't turn around  
It's too late  
You can call my name  
It's over now  
It's all in vain  
When my heart goes cold

I hurt inside  
I hurt inside  
I hurt inside  
I hurt inside

Give me back my longing  
Give me back desire  
It's all in vain  
It's much too late  
Give me back my yearning  
Give me back desire  
It's much too late  
It's much too late  
It's much too

It still hurts

You no longer shine for me  
No more longing  
Darkness holds me through the night

And you're always on my mind  
I can't turn around  
It's too late  
You can call my name  
It's over now"
