When we're up an' dancing on the floor, darling
And I feel like I need some more
And I feel your body close to mine
And I know my love it's about that time
Makes me feel mighty real
You make me feel mighty real
Well you've got me goin'
Like I knew you would

And the music's in me
And I feel real hot
Then you kiss me there
And it feels real good
Cos I know you'll love me like you should
Oh, you make me feel mighty real
Makes me feel mighty real
I feel real, I feel real
Wooh, I feel real, I feel real,
I feel real, I feel real,
Well you've got me goin'
Like I knew you would

And the music's in me
And I feel real hot
Then you kiss me there
And it feels real good
Cos I know you'll love me like you should
Oh, you make me feel mighty real
Make me feel mighty real
I feel real when you kiss me baby
I feel real when you're next to me
I feel real when you love me baby
I feel real when you hold me
Oh, you make me feel mighty real
Make me feel mighty real
