So you're the one
I've waited on
the one I've been dreamin' of
Now that I know
It's hard to let go
I don't want to lose your love

But what can I do
I can't make you stay here
But if you should choose to go your own way
Wherever you're going
Whenever you turn
Remember this moment
Remember these words
I will, I will

Give up my life for you
if you want it
I'll give you my heart
you already own it
I'll do anything
I'll go anywhere
It's true
I will, I will, I will

I look in your eyes
And I see our life
so full of happiness
do you see the same
or just someone you'll blame
for things you might have missed

I don't wanna weigh you down
like an anchor

but if that's how you see me now
I would rather let you go free
Just sail away
If that's what you need
If that's what it takes
I will, I will

Give up my life for you
if you want it
I'll give you my heart
you already own it
I'll do anything
I'll go anywhere
It's true
I will, I will, I will

If ever your day is done,
still you feel you need someone to hold you
I will
If you ever need to talk to
somebody who really knows you
yes I will

ah ha

Give up my life for you
if you want it
I'll give you my heart
you already own it
I'll do anything
I'll go anywhere
It's true
I will, I will, I will

I will...love you
