Baby hair with a woman's eyes
I can feel your watching in the night
All alone with me
And waiting for the sunlight

When I feel cold you warm me
And when I feel I can't go on
You come and hold me
It's you and me forever

Sara smile
Won't you smile a while for me, Sara?

If you feel like leaving, you know you can go
(You know you can go)
Why don't you stay until tomorrow?
If you want to be free
You know all you've got to do is say so

When you feel cold I'll warm you
And when you feel you can't go on
I'll come and hold you
It's you and me forever

Sara smile
Won't you smile a while for me, Sara?
Sara smile
Oh, won't you smile a while for me? Sara, please
Sara, Sara, smile
Smile

Yeah, smile
Won't you smile a while for me, Sara?
(Sara, Sara, smile)
Come on, you know how that makes me feel
You know how that makes me feel, to see you smile
Sara, Sara, Sara
