do you remember..the day i turned  
to you and said didn't like the way  
he was lookin at you..yeah  
how he made ya laugh  
you just couldn't get what i was saying  
it was my imagination

(chores)

So do you believe me now  
guess i really wasnt that crazy  
and i knew what i was talkin bout  
everytime the sun goes down  
he's the one that's holdin you baby  
yeah and me i'm missin you way cross town  
so do you believe me now..

i'm kickin myself  
for being the one foolish enough  
given him the chance to step in my shoes..wooh  
he was buyin his time when he saw our love was  
having a moment weekness,he was there between us

(chores)

So do you believe me now  
guess i really wasnt that crazy  
and i knew what i was talkin bout  
everytime the sun goes down  
he's the one that's holdin you baby  
yeah and me i'm missin you way cross town  
so do you believe me now..

eewww yeah i bet now you see the light  
ewww yeah whats the use in being right  
when i'm the lonely one tonight

(repeat chores)

So do you believe me now  
guess i really wasnt that crazy

and i knew what i was talkin bout  
everytime the sun goes down  
he's the one that's holdin you baby  
yeah and me i'm missin you way cross town  
so do you believe me now..

yeah..so do you believe me now....

everytime the sun goes down  
he's the one that's holdin you baby  
yeah and me i'm missin you way cross town  
so do you believe me now..
