Spring will be a little late this year  
a little late arriving, in my lonely world over here  
For you have left me and where is our April love old  
Yes you have left me and winter continues cold  
As if to say that spring will be a little slow to start  
A little slow reviving that music it made in my heart  
Cause time heals all things, so I needn't cling to this  
fear  
It's merely that spring will be a little late this year  
Yes time heals all things so I needn't cling to this fear  
It's merely that spring will be a little late this year
