Oh lord Oh lord
I want you to move I want you to move
Oh lord Oh lord
I want you to move I want you to move
I want you to move from church to church
And then I want you to move move from man to man
Oh lord Oh lord
Yeah I want you to move
Yeah I want you to move

Oh lord Oh lord
I want you to move I want you to move
Oh lord Oh lord
I want you to move I want you to move
You know what I want you to do, move Move from state
to state
And then move from town to town
Oh Oh lord
Please I want you to move
Yeah I want you to move

Oh lord Oh lord
I want you to move I want you to move
Oooh lord Oh lord
I want you to move I want you to move
Move Move from heart to heart
And then move Move from man to man
Oh Jesus Oh lord
Yeah I want you to move

Oh lord Oh lord
I want you to move I want you to move
Please Jesus Oh lord
I want you to move I want you to move
I want you to just Move from church to church
Stay right there yall Move from church to church
Move from church to church
Move from church to church

See we having problem in our church
We don't praise God like we use to
We need God to move in our church today

We got trouble in the choir
We just don't fellowship like we use to do
And we need the Holy Spirit
Can I get a witness
How many know we need God to
And not only that
We need him in our home
If you agree with me
Let me hear you say yes

Move Move from house to house
Move Move from house to house
Move Move from house to house
Move Move from house to house
And we want you to move Move from man to man
Oh lord Oh lord
Yeah I want you to move
Yeah I want yo to move
