I'm goin' back to Cane River, down Lou'siana way  
I'm goin' back to Cane River, down Lou'siana way  
Back to Cane River, that's where I'm gonna stay

I've got a Creole beauty, cute as she can be  
She gives me plenty lovin', ev'rything belong to me  
I'm goin' back to Cane River, down Lou'siana way  
Back to Cane River, that' where I'm gonna stay

She's got chicken in the yard, hogs in the pen  
Cows in the pasture an' corn in the bin  
I'm goin' back to Cane River, down Lou'siana way  
Back to Cane River, that's where I'm gonna stay
