Ayo Jin there's a couple things you gota have  
When you doin ya club record.  
I got you don't worry. Guru play the beat!  
I always wanted to say that on a record, you gota  
Have that.You gota have a "Ho! Ho! Ho!".  
Gota have two of those..hit 'em with a.."whoo whoo  
whoo"  
I like that, that's not bad..come on..  
Oh yeah, you know what else you need??..  
JUST BLAZZZZZZE!!!

You can't help but love the way that he flow  
When he leave the club ladies be like "did you see  
which way  
Did he go?"  
Battle raps are cool but not for radio though  
When my single drop Imma charge like 80 a show  
If you droppin with me get ready for a pitfall  
When my shit hit stores Imma charge a bit more  
Man Im tryin to copp my toys in two  
And stay away from the boys in blue  
Its cause Im gettin dough the beast are mad at me  
But these cops are jokes like Police Academy  
Too much stress and I aint blew up yet  
Went from the 7 train to the lex got you upset  
I never stress over a chick Im slick like lou rawls  
If I was papasmurf you couldnt give me blue balls  
Thick dick playa rip thru walls  
Balls so large it couldnt fit in two jars

This my club song cause I said club  
This my club song this my club song  
If you wanna blow then you gota make a club song  
This my club song did he say club?  
This my club song this my club song  
Everybody got one so I had to make a club song

Throw ya hands high reach for the sky  
For my piece of the pie Imma beast I aint speakin no lie  
Im frequently high freak a bunch of freaks in the back  
Of the jeep alpiners reachin it's peak I

Put 'em to sleep aint no reason to speak  
Why I creep got 'em sayin that they'll leave in a week  
Poof! be gone I wont miss you at all  
Now you sayin I did you wrong I wont miss you at all  
Gota passion for tho gassin those  
Live my life like everydays a fasion show  
I aint playin you know what Im sayin  
I wasn't talkin bout ya IQ when I told you gimme some  
brains  
Fam you better play ya part  
Cause ya girl she bout to have a change of heart  
When I come thru find me in the cut like a stitch  
Gettin wild love cause "Im Rick James beeotch!"

This my club song cause I said club  
This my club song this my club song  
If you wanna blow then you gota make a club song  
This my club song did he say club?  
This my club song this my club song  
Everybody got one so I had to make a club song

Im playin playstation braggin, in the back of a gray  
station wagon  
Enyce jeans saggin  
Aint used to the club what am I thinkin  
Only Tunnel I been to is the Holland and the Lincoln  
Problem when Im drinkin I get tipsy easy  
Leave the bartender a hundred dolla tip believe me  
Shorty on the dance floor Im down to get inside of it  
Said she celibate I said cool I only buy a bit

This my club song cause I said club  
This my club song this my club song  
If you wanna blow then you gota make a club song  
This my club song did he say club?

Everybody got one so I had to make a club song
