Weee!
Been fourteen years since the day
I started my descent into myself
I get wasted know i'm better than this
Know i'm bitter
Been walking blind
Still i hold my head up high
Head talking backwards
Just know i'm better than this
Know i'm better

Pull myself through this hole i dig
Pull myself through this hole i dig
Pull myself through this hole i dig
Pull myself through this hole i dig
Pull myself through this hole i dig
Pull myself through this hole i dig
Pull myself through this hole i dig
Pull myself through this

Been fourteen years since the day
I started my descent into myself
I get wasted know i'm better than this
Know i'm bitter
Been walking blind
Still i hold my head up high
Head talking backwards
Just know i'm better than this
Know i'm better

Pull myself through this hole i dig
Pull myself through this hole i dig
Pull myself through this hole i dig
Pull myself through this

Weee!
