Intro:

Yeah
Oh jun a ruff rider
What's goin on?

Chorus:

I don't know why everbody's talking bout me
Is he really gonna be a hot MC
Askin if my albums gonna flop
Wonderin if im gonna hit n go up top
I don't know why this worlds got so much hate
If there was that much love it would all be great
But there aint and it's making me strong
If yall real than you gonna be feelin this song

Verse 1:

Since the last time you saw me on TV blazin MC's
My life turned around - did 180 degrees
There's a couple of key issues that i gotta adress
Plus a lot of bullshit to get off my chest
Everybodys got opinions that they wanna contest
I listen to most of them and ignore the rest
Some confess that im hot
Some stress me a lot
Saying that i don't deserve all the success that i got
Is it me or does it seem like they obsess with my jock
Either that or they just jaelous of my props
All it took was hard work and
Ask around whos nice and they'll mention my name
Is he the best in the game the question remains
Will he ship numbers or is he a one-hit wonder
Yall can't talk about me, yall don't know what ive been
through
I just wanted to rap look what i got myself into

Chorus:

I don't know why everbody's talking bout me

Is he really gonna be a hot MC
Askin if my albums gonna flop
Wonderin if im gonna hit n go up top
I don't know why this worlds got so much hate
If there was that much love it would all be great
But there aint and it's making me strong
If yall real than you gonna be feelin this song

Verse 2:

Before i even dropped any material i had a lot of critics
What i gotta do to prove to yall that im not a gimmic
Eager to check my numbers when my sales start to
cash in
Seems like yall want me to fail with a passion
My own people hatin my eyes are decieving me
Can it be, some of them don't even believe in me
Damn first you mad there aint no aisian in the
mainstreet
No doubt
Now there is one you say he's sold out
Face it you don't hate the fact that im rhymin
You hate the fact that you aint in the position that im in
Im a pioneer it aint no mystery
Look
I got my own chapter in the hiphop history book
Oh and by the way in case you didn't notice
All that hating your doin is keepin me focused
Besides hating is bad for your health
At the end of the day im still askin myself

Chorus:

I don't know why everbody's talking bout me
Is he really gonna be a hot MC
Askin if my albums gonna flop
Wonderin if im gonna hit n go up top
I don't know why this worlds got so much hate
If there was that much love it would all be great
But there aint and it's making me strong
If yall real than you gonna be feelin this song

Verse 3:

I can't explain what this game is putting me through
You wouldn't understand man put your foot in my shoe
Walk a mile - shit you cuoldnt even walk an inch
Same pace, that's all it takes for you to relate
It aint about right or wrong
Be the same cats that love my freestyles and say i can't
write a song

Pluss he's signed to the r don't he run with thugs
What he gonna rap about now huh guns and drugs
Nope im just gonna do me
Witty cat plus im a true MC
I proved to be
Give the streets my music
Ive paid my dues i got receipts to prove it
You can't refuse it if it's hot it's hot
Actually im flattered you say i sound like marshall
mathers
I know eminem but im not wack either
The only reason you compare me to him is 'cause im
not black neither

Chorus:

I don't know why everbody's talking bout me
Is he really gonna be a hot MC
Askin if my albums gonna flop
Wonderin if im gonna hit n go up top
I don't know why this worlds got so much hate
If there was that much love it would all be great
But there aint and it's making me strong
If yall real than you gonna be feelin this song

Outro:

Yeah hatas yall keep me going
Yall keep me strong
I need yall
Id like to thank every person that eva hated on me
I donno where I'd be without yall
Shit i couldnt have wrote this song if it wasn't for yall

Chorus:

I don't know why everbody's talking bout me
Is he really gonna be a hot MC
Askin if my albums gonna flop
Wonderin if im gonna hit n go up top
I don't know why this worlds got so much hate
If there was that much love it would all be great
But there aint and it's making me strong
If yall real than you gonna be feelin this song
