Wish I could play outside
But soon the sun will rise
Fires starting everyday
Wish I could play outside
But when the night time falls
Tides wash over everything here
In this insect ocean vacuum up the sky
Would you see clear waves of madness
Falling on the shores of discontent

Wish I could play outside but soon the sun will rise
Fires starting everyday
Wish I could play outside
But when nighttime falls
Toxic tides wash over everything here
In this ocean vacuum up the sky
Would you see clear waves of madness
Falling on the shores of discontent

It's about time
No more waiting
Here inside my head
I think it's time
I can't wait here any more
Playing inside my head

Wish I could play outside

It's about time
No more waiting
Here inside my head [wish I could play outside]
I think it's time
I can't wait here any more
Playing inside my head

Wish I could play outside
It's about time
No more waiting
Here inside my head [wish I could play outside]
I think it's time
I can't wait here any more

Playing inside my head

Just get the fuck outside

Outside, outside

Outside...
