You can mistreat me here  
But you can't when I go home  
You can mistreat me here  
But you can't when I go home  
I've got a fine little girl there  
Wanna make you leave me alone

I gave you all my money  
Tell me what more can I do?  
I gave you all my money  
Tell me what more can I do?  
You're a fine little girl  
But you just won't be true

Well, I know you didn't know me  
When you lay down 'cross my bed  
You were too intoxicated  
To remember what you said

I know you didn't want me  
When you lay down 'cross my bed  
You were too intoxicated, baby  
Can't remember what you said
