[You know... when it comes to the ladies... I think about what my man Phife Dog said... Uh huh... you remember... I like em brown, yellow, Puerto Rican or Haitian...]

Here's something that I bet you never seen (what's that?)

Asian girl in some Applebottom Jeans (ok)

36 uh, 24 uh, 36 uh, baby let's go uh

Here's something that I bet you never seen (what's that?)

Asian girl in some Applebottom Jeans (ok)

36 uh, 24 uh, 36 uh, baby let's go uh

See her from the back and be like she blazing
Think she black, turn around found out she Asian
So amazing, what an odd occasion
I'ma tell you this for your information
I like 'em black, brown, even Caucasian
But this one got me standing here dazing
So sick, think I need my medication
This is not a song, it's a dedication
For my nation, a celebration
It's a party you don't need an invitation
But back to what's in front of my face and
Good God, what a beautiful creation
I don't care 'bout what's your reputation
You independent and you got an occupation
I'ma take you to the club from the basement
Then I might hit up the radio station

Here's something that I bet you never seen (what's that?)

Asian girl in some Applebottom Jeans (ok)

36 uh, 24 uh, 36 uh, baby let's go uh

Here's something that I bet you never seen (what's that?)

Asian girl in some Applebottom Jeans (ok)

36 uh, 24 uh, 36 uh, baby let's go uh

I got this Chinese broad that stays out in the bay

Leave comments on my MySpace every single day
Got a Korean chick who stays down in Texas
When I'm in town, scoop me up in a Lexus
A Japanese joint in Miami on the low
She said she got a man but he out in Tokyo
My Viet chick got more than good looks so you know
I ask her can she cook and she said fo sho
Got a 20 year old that still watches Nickelodeon
I think she half Thai and half Cambodian
A weed head that likes to puff on a killer green
From the Philippines, love the way she fill her jeans
Asked this one shorty if we could chat
She told me she was Laos
And I asked where's that?
Then she proceeded to show me on the map
I said that's where we going 'cause baby that's where
it's at (ok)

Here's something that I bet you never seen (what's
that?)

Asian girl in some Applebottom Jeans (ok)

36 uh, 24 uh, 36 uh, baby let's go uh

Here's something that I bet you never seen (what's
that?)

Asian girl in some Applebottom Jeans (ok)

36 uh, 24 uh, 36 uh, baby let's go uh

What's that? There she go, ok

What's that? There she go, ok

What's that? There she go, ok

What's that? There she go, ok

What's that? 36, ok, 24

What's that? 36, ok, 24

What's that? 36, ok, 24

What's that? 36, ok

Here's something that I bet you never seen (what's
that?)

Asian girl in some Applebottom Jeans (ok)

36 uh, 24 uh, 36 uh, baby let's go uh

Here's something that I bet you never seen (what's
