yeah you know this really wouldnt be possible without  
you  
we all appreciate it ... it all comes down to this

when i was young me and my mama had beef  
fifteen years old kicked out on the streets  
tho back at the time i'm young and reckless of course  
how could i steal from my mom and not show a bit of  
remorse  
somewhat ashamed to speak about it  
lost all my mama's trust over what ?  
a pair of sneakers and an outfit  
i got caught this ruff ryder got weak  
when i saw the tears runnin' down the side of her cheek  
catchin' flash backs when i was just a baby in her arms  
doctor said i hadda fever and the baby was in harm  
hundred and six degrees i was close to my death  
but ya kept me at ease held me close to your breast  
this woman raised me bathed me tha fact as it hurts  
as soon as she forgave me i went right back in her  
purse  
just fights with more lies nights with more cries  
so when i see you smile that was a sight for sore eyes  
you know your baby boy is Blowin' up  
but it wasn't all good growin' up  
i shed tears with my baby sister  
over the years we were tighter than the other little kids  
thank god we had the same daddy  
but came drama when things go wrong dont blame  
mama  
there's no way that i can pay you back  
but as a man i think i finally understand  
i love you ma

i love you mama  
aint nobody ever takin' ya place  
i love you mama  
and i love to see that smile on ya face  
i love you mama  
you know i wanna give you the world  
i love you mama

you'll always be my number one girl  
i love you mama  
i'm so proud to be your son  
i love you mama

dedicated to all the mothers in tha world  
thanks for being here  
thanks for loving us  
yeah .. jin
