[Kanye] Yo Jin! We good wit this one, yeah!  
[Jin] Good looking Kanye  
Ruff Ryder, Roc-A-Fella collabo!  
You see, we're the next generation in this rap game  
So it's only right we got down like this  
[Kanye] Yep! uh oh!

[Chorus - Kanye West] (x2)  
I got a love that's better than - you ever was  
You've never been - no good for me  
I guess I was - just way too hood for you to be with

Yo I was doing a show with Kanye in the West  
Mid that is, so basically the Chi M.I. is up in the mix  
We in the game now, it makes perfect sense  
The kid that 'Dropped Outta College', the other never  
went  
We take turns doing our one, two's and yes yes y'all  
Look at shorty with my name, tatted on her breast y'all  
Mr. West, what do you think is the best?  
(Kanye: Take em backstage, get acquainted that's what I  
suggest dawg)  
When it comes to spittin G, I'm one of the best y'all  
She look good, smell clean and she had fresh draws  
Naw, that's too good to be  
Usually them type of chicks ain't good for me, no!

[Chorus x2]

I got a - way with words, I use words in ways  
I convince birds to come out they cage and play  
Polly want a Gucci Parka, ma what did you say?  
Polly might get a cracker ain't no trickin today, hey  
But anyway though, she got it on smash like mashed  
potatoes  
High class with a ass that'll smash on J. Lo  
Lay low, got Play-Doh, stash the payroll  
Ain't no - credit card, spendin cash on Rodeo  
And me? I'm at the Slausson Swap Meet  
Lookin for a pair of Air One's and white tee's  
She want champagne, I got Sisco and Kool-Aid  
Why go to the movies? let's watch the bootleg

[Chorus x2]

Girl I don't wear Prada, never met Gucci  
Or wore Versake [Versace], y'all is too boogie  
We all know Kanye is Mr. Louis Vuitton  
But if I see a L and a V, I'd think that it's on  
That's what my old chick used to clash with me  
(Jin, why'd you get this fake Louis bag for me?)  
Actually, you should be happy I purchased that  
I take this as a sign, you don't want the matching hat  
Huh, I'm too gutter, you more Parkay with yours  
I'm more I can't believe it's not butter  
What the - other - suckas do for love is a damn shame  
I got a new significant other cause plans change

[Chorus]
