Jin

With a name like "hassan"

You should join the taliban

Cause that's the only way you'll get flex to drop a bomb

When they retire me and i land in the booth

You'll be outside tryin to shake hands with scoop

You got six victories? i wonder if this will hurt

The closest you'll get to 7 is the numba on ya shirt

Yeah im chinese, now you understand it

Im the reason that his little sister's eyes is slanted

If you make one joke about rice or karate

NYPD be in chinatown searchin for your body

Ask free she'll tell you to duck down

He thought the harlem shake was a drink from uptown

Whacha want to do son? i'm l'll when i spit

I'm tellin you right now, yo, you aint legit

Cause when i finish spittin

Hassan

Yo, yo, yo I really don't think u want it wif this cat

Hassan

Ill have u in B.E.T hooking up fried wontons

Yo spitting at da Garden juss aint working

Dats like sex and prostitutes and catching aids on  
propose

Cuz u's an ugly dude can't get a gurl so juss stop

Probably eat so much coochie u think doosh is a  
mouthwash

[Crowd amp]

How u want it get 2 da head of da gut

Career be shorter than the space between my but and  
my nuts

Yo, yo, yo, yo, ya.. Aww
