uh, see, i really don't know what you're doin  
he got a kobe bryant jersey on, but look more like a  
light-skin patrick ewing  
i'm nice wit it when im spittin, come on, in a week or so  
i'll be spittin on swizz beatz  
while you'll be at the bodega askin for swiss cheese  
im nice with it, freestyle, come on  
you wanna talk about guns, that's why you get your  
studder on  
only toast he packs is the kind you put butter on  
i'm nice with it when i free, come on, yo check it out  
ask your girl, i was doin somethin at her house  
matter fact, she had my eggroll and my dumplings in  
her mouth  
next time you see her  
bring extra protection, next time you see her  
IT'S A RAP!!
