Spend all your time waiting
for a that second chance
For a break that would make it okay
There's always some reason
to feel not good enough
And it's hard at the end of the day

I need some distraction
Ooh beautiful release
Memories seep from my veins

Let me be empty
Oh, and weightless and maybe
To find some peace tonight

[Chorus]
In the arms of the angel
fly away from here
From this dark, cold hotel room
And the endlessness that you fear
You are pulled from the wreckage
Of your silent reverie
You're in the arms of the angel
May you find some comfort here

So tired of the straight line
And everywhere you turn
There's vultures and thieves at your back

The storm keeps on twisting
keep on building the lies
That you make up for all that you lack

It don't make no difference
Escape one last time.
It's easier to believe in this sweet madness
Oh, this glorious sadness
That brings me to my knees

[Chorus]

You're in the arms of the angel
May you find some comfort here
