Don't wanna see that I don't appreciate
I love the little things you do for me (for me)
I always think it would be good to be your baby
Come on and try to take a chat with me
I wanna love you tonight and forever
I love the little things you do for me (for me)
I feel so right when you hold me in your arms
Why don't you try to stay the night with me

Time time, one more time (time)
Time time, one more time (time)
Time time, one more time (time)
One more time to touch you
(Just give me the)
Time time, one more time (time)
Time time, one more time (time)
Time time, one more time (time)
One more time to touch you
Touch you

Don't wanna see that I don't appreciate...
