"Me, myself, myself and I  
Just me, myself and I  
my self se se self self  
l,l,l,l,l,l,l,l

Me, myself, myself and I  
Just me, myself and I  
Me, myself, myself and I  
Just me, myself and I

I woke up late  
Fell out of bed  
Missed the bus to High school hell  
Mom is paintin' my nails  
Reading a magazine  
You see me asleep  
Me steal the key  
Now I'm the star Of my neighbour hal  
Dad, there's no need to yell  
'Cause I've changed my name

You know that I  
Love to do it all the time  
I wanta get high  
And that's fine

Me, myself, myself and I  
Just me, myself and I  
Me, myself, myself and I  
Just me, myself and I

Today I got hate  
Made the grade  
I guess I'll graduate, oh hell  
Smoking can kill  
Oh how I love these days

You know that I  
Love to do it all the time  
I wanta get high  
And that's fine

Me, myself and I

You know that I  
Love to do it all the time  
I wanta get high  
And that's fine

Me, myself, myself and I  
Just me, myself and I

myself se se se se self self  
I,I,I,I,I,I,I,I

I love to do it all the time  
I wanta get high  
And that's fine

Me, myself, myself and I  
Just me, myself and I

I love to do it all the time  
I wanta get high  
And that's fine
