Me, myself, myself and I
Just me, myself and I
my self se se self self
l, l, l, l, l,i,i,i

Me, myself, myself and I
Just me, myself and I
Me, myself, myself and I
Just me, myself and I

I woke up late
Fell out of bed
Missed the bus to
High school hell
Mom's painting my nails
Reading a magazine
You see me asleep
Me steal the key
Now I'm the star
Of my neighbour hal
god, there's no need to yell
'Cause I changed my name

You know that I
Love to do it all the time
I wanta get high
And that's fine

Me, myself, myself and I
Just me, myself and I
Me, myself, myself and I
Just me, myself and I

Today I got hate
Made the grade
I guess I'll graduate, oh hell
Smoking can kill
Oh how I love these days

You know that I
Love to do it all the time
I wanta get high

And that's fine

Me, myself and I

You know that I
Love to do it all the time
I wanta get high
And that's fine

Me, myself, myself and I
Just me, myself and I

myself se se se se self self
I, I, I, I, I,i,i,i

I love to do it all the time
I wanta get high
And that's fine

Me, myself, myself and I
Just me, myself and I

I love to do it all the time
I wanta get high
And that's fine
