## "Are You Still In Vallda"

I never thought about you this winter; I never thought  
'bout you this spring  
But now when the summer is here I never thought I'd  
think about you again  
You smoke like a young Belmondo, you wear your  
flowers in your hair  
When you were always to late, I still waited for you in  
this sweet summer air

So I wonder my love are you still in Vallda? Like 10  
summers ago...  
I wonder my love are you still in Vallda? Like 10  
summers ago...

Someday I know we'll meet again but I said that every  
summer  
and every summer is the summer closer further away  
from you...
