Baller Status

What's up girl, who are you, Who I'm I ? , I think you
need to check my Baller Status

(Chorus)

If you want the baddest check my Baller Status

If you want the maddest check my Baller Status

If you want to be the gladdest check my Baller Status

(My what) Baller Status, (My what) Baller Status

(JJ)

Shorty checking my style and my Apparatus

And she know from my smile that I'm the baddest

Nigga around Rollin in at the club in the silver Stratus

If it get scrated you know I'm gon be the maddest

Cause I'm in the joint an my chick is the baddest

And that ouchie BOY it's the fattest

Plus you know I'm comin in with the boyz

And we don't play cause we always carry them toys

And we ready for you to jump so you can hear that
noise

When bullets shower thru you and yo boyz

But I'm just in the club looking for the finest

So she can take a look at me my baller status

(Chorus)

If you want the baddest check my Baller Status

If you want the maddest check my Baller Status

If you want to be the gladdest check my Baller Status

(My what) Baller Status, (My what) Baller Status
