I'm grindin' until I'm tired
They say you ain't grindin' until you die
So, I'm grindin' with my eyes wide
Lookin' to find a way through the day
The life of the night

Dear Lord, you took so many of my people
I'm just wondering why you haven't taken my life
What the hell am I doing right?
What the hell am I doing right?

I'm grindin' until I'm tired
They say you ain't grindin' until you die
So, I'm grindin' with my eyes wide
Lookin' to find a way through the day
The life of the night

Dear Lord, you took so many of my people
I'm just wondering why you haven't taken my life
What the hell am I doing right?

Na na na na na na na, it goes around the world
Na na na na na na na, it goes around the world
