I'll take a minute here to tell you
To cut the cord and pull the plug
Getting weaker by the second
Watching you saturate my love

I'm sick of feeling so wrecked
And tired of this mess
There's going to be hell to pay
This time I swear
The best in me, it's draining out

Eventually I'm gonna smash this
Tether to your anemic heart
I know I'd love to watch you perish
Under the weight of what you siphon

I'm sick of feeling so wrecked
And tired of this mess
There's going to be hell to pay
This time I swear
The best in me, it's draining out
Sick of feeling so wrecked
And tired of this mess
There's going to be hell to pay
This time I swear
All my life in doubt

You suck the life from everything
Parasite of happiness in me

So keep away from me
Stay away from me
As far as you can be
Isn't far enough!

So keep away from me
Stay away from me
As far as you can from me
Isn't far enough... isn't far enough...
Isn't far enough... isn't far enough...

I'm sick of feeling so wrecked

And tired of this mess
There's going to be hell to pay
This time I swear
The best in me, it's draining out
Sick of feeling so wrecked
And tired of this mess
There's going to be hell to pay
This time I swear
All my life in doubt

You suck the life from everything
Parasite of happiness in
Parasite of happiness
Parasite of happiness...
