It's not you I'm worried about
Haven't you seen
Haven't you noticed the increase
The bees have found their way home

He says, honey, oh my sweet Honey
This is what you have deserved
All along, all along
Never never alone

Breezing past Chestnut Street
Mirabelle, I'll be sick as hell
But at least the buzzing will end
And it's raining sunshine
In my head, oh in my head, honey
And when will the bees
Find their way home?

He says, honey, oh my sweet Honey
This is what you have deserved
All along, all along
Never never alone

Falling back to memories
Mirabelle knows this is sick as hell
Shouldn't tell, wouldn't say
But it wasn't good that day
And it's raining sunshine
In my head, oh in my head, honey
And the bees need to please stop
Buzzing home with me between their teeth

He says, honey, oh my sweet Honey
This is what you have deserved
All along, all along
Never EVER alone

Oh my, my sweet Honey
Be happy cause you have been blessed
All along, all along
Never EVER alone
