Oh this silly heart of mine
Looking for new things to buy
Nothing really satisfies
In the end, in the end
Greed is making fools of us
Waging war betraying trust
Empires only fade to dust
In the end, in the end

Safety is not for sale.
(You can not buy peace of mind)
Earthly defenses fail
(There's nothing new under the sky)
Build your kingdom all your life
And say goodbye
In the end, in the end

Have I forgotten how to wait
Providence won't hesitate
Seldom early never late
In the end, in the end

Safety is not for sale.
(You can not buy peace of mind)
Earthly defenses fail
(There's nothing new under the sky)
Build your kingdom all your life
And say goodbye
In the end

Vanity, vanity
Don't lie to me
Vanity, vanity
You're not fooling me

Safety is not for sale.
(You can not buy peace of mind)
Earthly defenses fail
(There's nothing new under the sky)
Build your kingdom all your life
And say goodbye

Build your kingdom all your life
And say goodbye
In the end
