It's hard to tell
If my eyes are open
When all I see is dark

And it's easy, it's easy
To lose my step, to lose my step

There is no fight left
On the inside
But maybe that's where I should be

I've given up tryin'
I'm giving it all to you

When I use to dream of a life so lovely
There'd be no room for tears
Now letting go, yeah letting go
Is the hardest part, it's the hardest part

There is no fight left
On the inside
But maybe that's where I should be

I've given up tryin'
I'm giving it all to you
Oh oh oh

There is no place I can go
Where you don't already know
How to reach right down
And pull me out

I need you
I need you
I need you

There is no fight left
On the inside
But maybe that's where I should be

I've given up tryin'

I'm giving it all

There is no fight left
On the inside
But maybe that's where I should be

I've given up tryin'
I'm giving it all yeah
I've given up tryin'
I'm giving it all yeah and
I've given up tryin'
I'm giving it all... to you
